Flight Training Scholarship Opportunities

The following list describes flight scholarship opportunities currently available. **A Solo Scholarship must be completed before the corresponding Certificate Scholarship will be awarded.** After solo, a Certificate Scholarship can be applied for by submitting an updated application and enclosing a brief essay describing the training through solo experience. Certificate Scholarship applicants shall have passed the applicable FAA Written Airmen's Knowledge Exam and possess at least a 3rd class medical if applying for a private pilot certificate scholarship. Certificate Scholarship recipients shall be responsible for 10% of training costs.

The award amounts and timeframes identified below are the **maximum award for each scholarship**, and it is likely the activity can be completed in less time, and at a cost below the award limits.
